Notes:

(a) A cohort default rate is the percentage of an institution's borrowers who enter repayment on certain Federal Family Education Loan (FFEL) Program or William D. Ford Federal Direct Loan (Direct Loan) Program loans during a particular federal fiscal year (FY), October 1 to September 30, and default or meet other specified conditions prior to the end of the next fiscal year.

The U. S. Department of Education releases official cohort default rates once per year. The FY 2016 official cohort default rates are the most recent cohort default rates available. These rates will change when the U. S. Department of Education issues official rates as of September, 2019.

For more information regarding the U. S. Department of Education official cohort default rates for schools, please visit its webpage at <http://www2.ed.gov/offices/OSFAP/defaultmanagement/cdr.html>.

(b) This default rate applies to all locations of this institution.
