

- Programs are required to publish data on all of the required Student Achievement Criteria set by the Commission per cohort on an annual basis on the landing page of their program's website. The information must be clearly labeled and identifiable on the program's home page and provide all of the required information. Programs must complete all sections of the Student Achievement Criteria Data Disclosure table, including initial accreditation date and percentage rates (not raw data) for the graduation rates, job placement rates and exam pass rates in each track of the program.

* Programs are only required to provide data on the past 10 years/cohort or since the program was initial accredited, whichever is shorter.

** Programs should report graduation rates for program's Advertised Length of Completion. The Advertised Length of Completion is how long the program is designed to complete as written.

***This is defined as the percentage of graduates from the cohort year listed that are employed within 3 years of their graduation utilizing skills learned in the COAMFTE accredited program. Masters and Doctoral programs are required to provide this information. Post-Degree programs are encouraged to share this with the public.

**** Master programs are required to provide this information. Doctoral and Post-Degree programs are encouraged to share this with the public. For Master's programs only, COAMFTE has established a benchmark of 70% pass rate for each cohort. Programs in California can use the California Law and Ethics exam for MFTs to meet this requirement.
