

Western State College of Law at Argosy University (WSCL)
Spring 2017 Booklist

Students who are Title IV eligible and are expected to receive excess Title IV funding will receive a stipend for their excess Title IV funding to provide students the ability to purchase books and supplies by the seventh (7th) day of the course start date within the payment period.

Law texts can be purchased online (e.g. Amazon.com) and from these brick-and-mortar stores:

The Law Bookstore

1775 W. La Palma Ave.

Anaheim, CA

714-491-2665 / www.thelawbookstore.com

OR

Legal Books Distributing / College Stores Enterprises, Inc.

4247 Whiteside St.

Los Angeles, CA

800-200-7110 / <http://legalbooksdistributing.com/>

Please support local bookstores. Both bookstores try very hard to offer cheaper, used books. WSCL receives no portion of textbook sales.

Some tips on buying textbooks:

- Please use the ISBN listed for confirmation of the textbook. However, never order a book based on the ISBN alone – make sure at least the title and edition/year match.
- Until you are absolutely sure you have the correct book, don't mark it up, as you might not be able to return otherwise.
- FYI - Books may come in varying formats – not only hardbound, but eBooks and loose-leaf versions. Often these are cheaper. Unless specified in the list, these alternative formats are acceptable to purchase. Carolina Academic Press (CAP) and LexisNexis are the two major publishers who most often offer alternative versions.
- ORDER EARLY! If books come directly from publisher, the book could take up to 3 weeks to arrive.
- The Library does have copies of all the required textbooks, however only 1 copy of the book is bought per class. Library textbooks are available to use on a first-come, first-served basis, so try to buy your own personal copy of a textbook when possible.
- If you have any questions or find any errors, please contact Mahum Shere at mshere@wsulaw.edu or 714-459-1177 ASAP.

“Clicker” Information for Evidence Class

Professors Molko requires students to purchase a Turning Technologies QT device (“clicker”) and the accompanying software (Reponseware) for class. The QT device and Responseware software can be purchased from the company website.

If you have any questions, please do not hesitate to contact me, Mahum S. Shere (mshere@wsulaw.edu), or Turning Technologies directly.

Step 1: Create an Account.

Log on to the company website store <http://store.turningtechnologies.com>. Create an account using your WSCL student email account since all the offering/pricing is tied to affiliation with the school.

Step 2: Purchase Device and/or software.

- Initially you will get a screen asking if you have a license code or device ID and to enter them. Please skip this step. Hit the finish button and proceed to the Student Store.
- Once at the Student Store, you have 2 options
 - purchase a new device and software for \$40.00, OR
 - if you already have a QT device from a former student, purchase a new 1-year license for \$20.99.
- Using your credit card, purchase the device and have it sent directly to you.

Bundles

Do I need a bundle?

A bundle includes both a clicker and a Turning Account license with ResponseWare. If your instructor(s) require a clicker, associated with a Turning Account in order for your responses to count, this is the best option for you.

ONE YEAR TURNING ACCOUNT LICENSE

+ BONUS ResponseWare 2.0 License

Turning Account Licenses & ResponseWare

Do I need a Turning Account License?

A Turning Account license is required for students to be given credit for participation. A Turning Account license comes with ResponseWare. If your instructor(s) have indicated that a Turning Account license or ResponseWare license is necessary, this is the best option for you.

QT Device & Turning Account

Product ID: RCQR01-CLOUD-12

Description: Bundle includes new QT Device and one Turning Account student license. BONUS ResponseWare 2.0 license is also included.*

Price: \$40.00

QT Device

QT Device delivers a richer and more fulfilling response experience than ever before. Providing the same features as other RF clickers, the QT expands upon functionality by offering advanced capabilities such as a full QWERTY keypad and backlit screen for easy viewing. The integration of the new Turning Account with the QT Device further secures and protects user data for safe transference from hardware to software.

Turning Account License

Turning Accounts provide a unique identifier for each user and can be tied to all response devices. Turning Accounts leverage secure, centralized cloud-based management of registration, courses, rosters and assessment data. Secure login and file encryption ensures data is safeguarded. Bonus ResponseWare 2.0 license* is also included with a Turning Account license, offering significant mobile polling enhancements. Once registered and activated, students can also add other courses
